

Granby High School Crew Team Booster Club Financial Assistance Application 2018-2019

The Board of Directors of the Granby High School Crew Team Booster Club recognizes that many families may have difficulty paying their rower's dues. The Board invites families needing financial assistance to complete this application.

The GHSCTBC Financial Assistance Committee (FAC) will review applications in a closed session and will keep the identities of the applicants and all information submitted with the application confidential.

*** TOGETHER with this application, please submit a statement indicating the reason for financial need, as well as the amount you anticipate being able to contribute to your rower's dues. The Board is not requesting additional documentation (such as tax returns) as we are confident that we can expect truthfulness from all applicants.**

Submitting an application does not guarantee an award. Financial assistance will be awarded based on financial need. No other criteria will be considered.
